- If your ward travels by private van, please ensure that the van is well maintained and running on CNG and not on LPG. Overcrowded vans are a threat to your wards safety, so try to avail the transport facility provided by school.
 - RFID cards have been distributed to most of the students. The remaining students will receive their RFID cards soon.
 - Fire exits are marked and fire extinguishers are placed at strategic points.
 - Children are aware of the fire exits. Evacuation drill was conducted in the month of May and the building was evacuated in 2 mins 11 sec. Fire evacuation drills will be conducted on a regular basis.
 - Children are escorted by their class teachers for the swimming class. Our Swimming Coach Ms Karuna Deb and Physical Education teacher Ms Madhusa Srivastava together take the swimming class. Two female housekeeping ladies are stationed at the changing rooms to assist the children. Moreover, the school nurse Ms Merly is stationed there for over all supervision.
 - Parents of Supervision children of classes 1 to VII are requested to drop their ward at Gate no. 1. Parents of Nursery and Prep children should leave their children outside the Academic block. Parents are not allowed to enter the Academic block without the permission of the undersigned.

So let's please work together continuously to keep our dear children safe at all times.
