UNITE .EXPLORE .CELEBRATE

Preface

Education is most meaningful when it inspires children to explore, imagine, create, and connect with the world around them. At Pacific World School, we believe that every learning experience should nurture not only knowledge but also values, creativity, confidence, and compassion.

It is with immense pride and enthusiasm that we present **JAMBOREE 2026**—our Annual Inter-School Event for learners of the Foundational and Preparatory Stages. This year's theme, "**Voices of the Wild – Lessons for Life,**" celebrates the fascinating world of animals and the timeless values they inspire. Every creature in nature has a story to tell – of courage, resilience, kindness, teamwork, patience, wisdom, leadership, and adaptability. Through these inspiring qualities, we encourage children to discover meaningful life lessons while developing a deeper appreciation for the natural world.

JAMBOREE 2026 has been thoughtfully designed to provide young learners with engaging opportunities to express themselves through art, movement, storytelling, music, yoga, digital creativity, and experiential learning. Each competition encourages children to think creatively, collaborate confidently, communicate effectively, and celebrate their unique talents in an atmosphere of joyful learning.

More than a competition, JAMBOREE is a celebration of curiosity, imagination, and the limitless potential of every child. It offers a platform where schools come together to share ideas, foster friendships, and create enriching experiences that extend beyond the classroom. We hope this event ignites a lifelong respect for wildlife, nurtures empathy towards all living beings, and inspires children to become responsible global citizens who value harmony with nature.

As we gather to **Unite, Explore, and Celebrate**, we look forward to witnessing young minds shine with confidence, creativity, and compassion. Together, let us listen to the Voices of the Wild and embrace the valuable lessons they offer for life.

Happy Learning and Best Wishes to All the Participants!
