PACIFIC WORLD SCHOOL

Kilkaari

SEPTEMBER-OCTOBER 2026-27

Preface

The early years of learning are shaped not merely by what children learn, but by how they experience, explore and make sense of the world around them. At Pacific World School, September and October unfolded as a vibrant tapestry of learning experiences, celebrations and meaningful engagements, each contributing to the holistic development of our young learners.

From experiential classroom activities and creative explorations to cultural celebrations, sporting events, assemblies and wellbeing initiatives, every endeavour offered opportunities to question, discover, collaborate and express. Equally significant were the values woven into these experiences—kindness, courage, responsibility, independence and respect for others.

This edition brings together these moments of curiosity, participation and growth, reflecting our continued endeavour to make learning purposeful, joyful and enriching.

Principal's Message

Dear Parents,

It gives me immense pleasure to share another glimpse of the vibrant learning experiences at Pacific World School. The months of September and October have been filled with curiosity, creativity and meaningful discoveries, where learning has extended beyond textbooks into joyful, hands-on experiences.

From experiential activities in literacy, numeracy and environmental studies to festive celebrations, sports competitions, assemblies and creative pursuits, our young learners have explored, expressed and grown with enthusiasm. Special emphasis has also been laid on nurturing essential life skills, good health and hygiene, kindness, courage, confidence and respect for our rich cultural heritage.

We believe that every child has a unique potential, and our endeavour is to provide opportunities that inspire them to discover their strengths and become independent, compassionate learners.

I extend my heartfelt appreciation to our dedicated teachers and supportive parents for being valued partners in this journey.

Ms.Pooja Bose
Principal
Pacific World School

"WHEN LEARNING MEETS PLAY, EVERY CHILD FINDS A VOICE."

ALL ABOARD THE IS–AM–ARE EXPRESS!

Our enthusiastic Grade 1 learners embarked on an exciting Is, Am, Are Train Activity, turning grammar learning into a joyful and interactive experience. The classroom transformed into a lively train station with three coaches labelled IS, AM, and ARE Learners read simple sentences, identified the correct helping verb, and moved to the corresponding coach. Through this engaging activity, they strengthened their understanding of is, am, and are while enhancing reading, comprehension, listening skills, and confidence. The movement based approach made grammar learning meaningful and memorable.

"Ma'am, now I know when to use 'is', 'am' and 'are'."
Aadya Govil (1 A)

ROLL AND SAY

The Roll and Say activity provided an engaging way to strengthen learners' understanding of the English articles 'a', 'an', and 'the'. Each child rolled a dice, picked the corresponding card, and used the given article to frame and speak a meaningful sentence aloud.

The activity reinforced the correct use of articles while enhancing vocabulary, sentence formation, speaking skills, and confidence. This playful, hands-on approach made grammar learning enjoyable, interactive, and memorable.

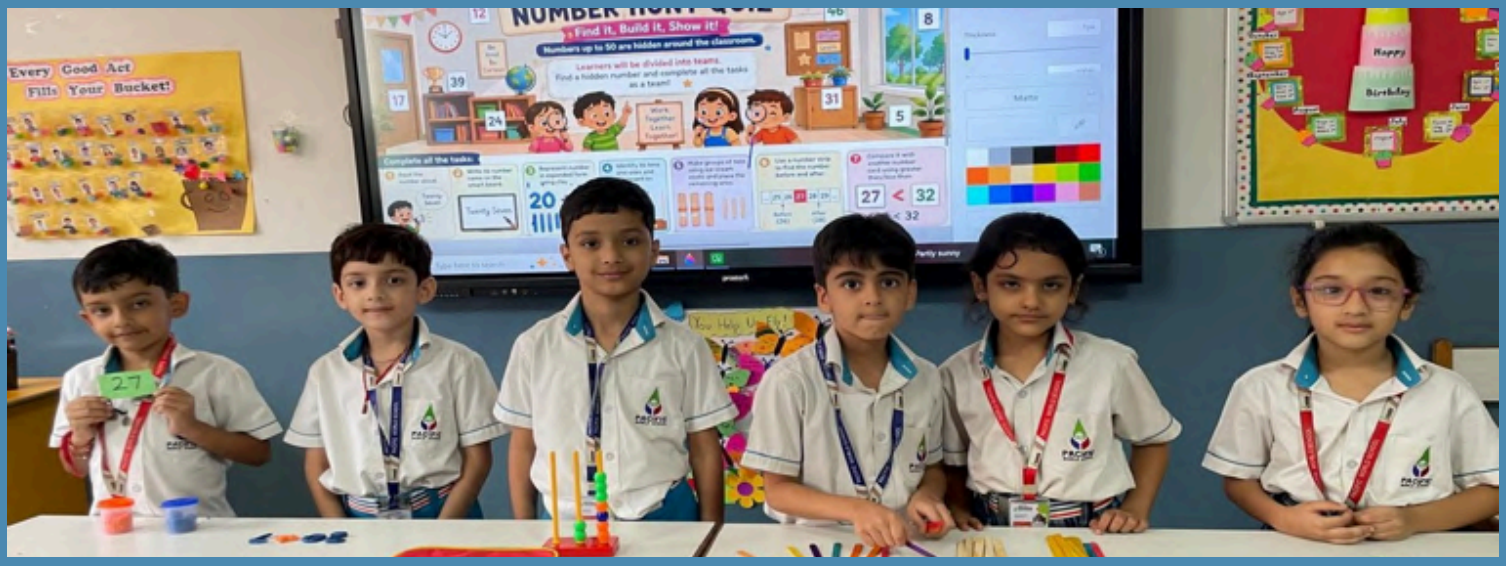

"I felt confident when I said my sentence correctly."
Navya (2 M)

TECH TALK CIRCLE

Our Grade 1 learners participated in a Tech Talk Circle to enhance language development. They shared ideas about gadgets and safe technology use through fun "Safe or Unsafe" situations. The activity strengthened their speaking, listening, vocabulary, and confidence while encouraging responsible digital habits.

"I use my tablet to read and learn new things."
Ayaansh Jha (1 D)

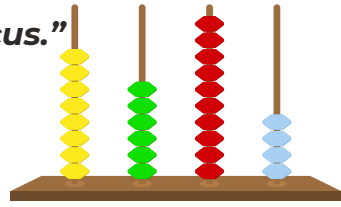

NUMBER HUNT QUIZ

"Find it, build it, show it ; every number has a story to tell."

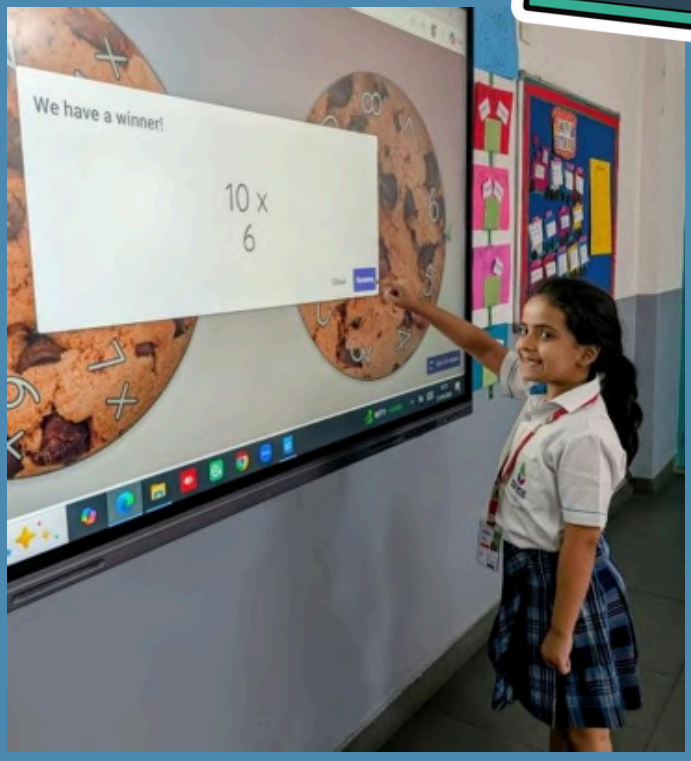

Our enthusiastic Grade 1 learners participated in the interactive "Number Hunt Quiz," strengthening their understanding of numbers up to 50. Through teamwork and hands-on exploration, they practised number names, expanded form, place value, sequencing, and comparison using clay, abacus, ice-cream sticks, and number strips. The activity fostered mathematical thinking, communication, problem-solving, and confidence in a fun, engaging way.

"I enjoyed showing the tens and ones in the number through the abacus." Anaya (1 A)

JUST SPIN IT!

Our young learners participated in an exciting activity, "Multiplication: Just Spin It!" Using two spinners, they spun and recorded the numbers obtained, multiplied them, and expressed the results as multiplication sentences. For example, spinning 4 and 6 resulted in 4 × 6 = 24.

This hands-on activity strengthened their understanding of multiplication facts, calculation skills, accuracy, and quick thinking. Through experiential learning and active participation, learners built confidence and discovered that multiplication can be fun, interactive, and meaningful.

"I enjoyed spinning and multiplying." Rutvi Saxena (2 C)

DESIGN A SUPER HELPER

"A true helper gives without expecting anything in return."

Grade 2 learners enthusiastically participated in the "Design a Super Helper" activity on 28th September 2026. They imagined and designed their own Super Helpers, exploring their roles, tools, special abilities and contributions to society. The activity nurtured creativity, empathy, problem-solving skills and appreciation for community helpers.

"My Super Hero will make our country very clean. He will be the Captain Clean of India." Arjun Sinha (2 B)

SMALL BITE FOOD FESTIVAL

Small Bite Food Festival" activity was conducted for Grade 1 learners to explore India's diverse food culture.

Using flashcards, learners spoke about traditional dishes, their states, appearance and taste. The activity enhanced speaking skills, vocabulary, confidence and general awareness while fostering appreciation for India's rich culinary diversity.

"I enjoyed when my friends were describing different dishes from different states." Twishaa (I H)

SPREADING KINDNESS THROUGH A POSITIVITY CHAIN

The students explored the power of kind words through the Magic Words story, learning how expressions such as please, thank you, sorry, and excuse me make conversations more respectful and positive.

Taking this learning forward, they participated in a Positivity Chain Activity, writing cheerful messages for their classmates, such as "You are kind!" and "You make me smile!" The messages were linked together to create a colourful paper chain, proudly displayed in the classroom.

The activity encouraged learners to practise positive language, appreciate one another, and understand how kind words spread happiness, strengthen friendships, and create a caring classroom community.

"I liked writing a nice message for my friend. It made me happy when I saw our colourful positivity chain!" Reyansh Chakerverty (1 A)

Ganesh Chaturthi

"Let your faith in Bappa be bigger than your fears"

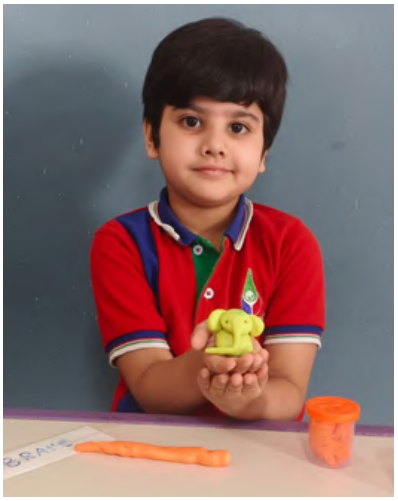

Ganesh Chaturthi was celebrated with great joy and enthusiasm in the Nurturing Block. Learners from Nursery to Grade 2 explored the significance of the festival through engaging activities. Nursery children created colourful crafts, LKG learners moulded Ganesha idols using play dough, and UKG learners enjoyed storytelling and clay modelling. Grade 1 and 2 learners created Ganesha idols using leaves and clay, prepared delicious modaks, and recited a shloka. The celebration nurtured creativity, fine-motor skills and cultural awareness.

"I learnt about Lord Ganesha and his favourite sweet, Modak." Ivanshi (2 H)

Happy KRISHNA JANMASHTAMI

"Where there is love, faith, and joy, Krishna's spirit comes alive."

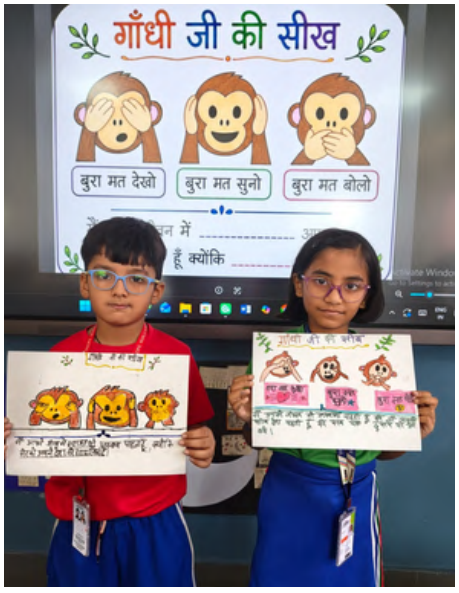

Janmashtami was celebrated in the Nurturing Block with great joy and enthusiasm through a variety of engaging activities across grades. Nursery learners presented a special assembly, "Mor Mukut, Nand Kishore," and crafted colourful flutes. LKG learners enjoyed a Krishna Leela skit, dance performance, Dahi Handi activity, and thumb-printing craft. UKG learners watched a captivating story puppet show and participated in a creative drawing activity. Grade 1 learners explored traditional butter churning, while Grade 2 learners participated in "Krishna Ki Matki," reflecting on Krishna's teachings. These activities beautifully blended cultural awareness, creativity, experiential learning, and value education.

"Ma'am mein Janmashtami ke din Krishna banuga." Ayansh Tripathi (LKG Kiwi)

गांधी जयंती

"Be the change you wish to see in the world."

The students of the Nurturing Block celebrated Gandhi Jayanti with enthusiasm, exploring Mahatma Gandhi's timeless values of truth, peace, cleanliness and self-reliance. Through discussions, drawings, a special assembly, Shramdaan, charkha crafts and an engaging crossword, learners discovered Gandhiji's teachings and the importance of indigenous products. Grade 2 learners reflected on the three monkeys and identified values to practise daily. The celebration inspired young minds to embrace Gandhian principles and contribute positively to society.

"We will keep our surroundings clean". Prisha (LKG Swan)

"A Week of Wonder with the Five Elements"

PANCHTATVA WEEK

UKG learners explored the five elements of nature: Prithvi (Earth), Jal (Water), Agni (Fire), Vayu (Air), and Akash (Sky) during an engaging Panchtatva Week. Through activities such as creating an Earth collage, exploring sounds with Jal Tarang, observing a colourful volcano eruption, experimenting with spinning pinwheels, and making day-and-night artwork, learners developed curiosity, creativity, and a spirit of exploration. The week fostered a deeper appreciation of nature through joyful, hands-on learning experiences.

METAL MOVERS WEEK

"Ready, Set, Ride! Where will our little travellers go next?"

Metal Movers Week – Transport Week was an exciting, hands-on learning experience for our Nursery learners, who explored the world of land, air and water transport. Through craft, colouring, sorting, matching and sensory activities, they identified different vehicles and learnt about their uses. Numbers and letters were integrated into these activities to strengthen early literacy and numeracy skills. The week nurtured curiosity, creativity, observation, communication and fine-motor skills through joyful, meaningful learning experiences.

INTER-HOUSE SPORTS COMPETITION

Pacific World School successfully conducted the Inter-House Sports Competitions on 19th September 2026 for Grade 1 and 2 boys' football, Grade 2 girls' kho-kho, and Grade 1 girls' yoga.

The competitions began with student trials, followed by a week of regular practice to enhance their skills, teamwork, and confidence. The participants then competed in the quarter-finals, semi-finals, and final rounds, as per the respective game formats.

The young athletes displayed remarkable enthusiasm, discipline, sportsmanship, and a healthy competitive spirit throughout the events. The competitions concluded on a high note, celebrating the students' dedication, perseverance, and love for sports while reinforcing the values of teamwork and fair play.

A RAINBOW OF LEARNING: PURPLE PARADISE AND ORANGE-O-FUN DAY

The Nursery learners celebrated Purple Paradise Day and Orange-O-Fun Day with colourful, hands-on activities, including creative crafts, object sorting and colour mixing. They joyfully explored how red and blue make purple, while red and yellow create orange. Celebrating Colour Days helps young learners develop colour recognition, observation, creativity and sensory awareness. These engaging experiences encouraged curiosity, active participation and joyful learning, making colour exploration meaningful and memorable.

HEALTH AND HYGIENE WEEK

"Tiny Hands, Healthy Plans!"

The Nursery and UKG learners explored the importance of personal hygiene through engaging, hands-on activities. From grooming and oral care to proper handwashing and respiratory hygiene, children learnt simple habits to stay clean and healthy. The Germ Buster STEM activity sparked curiosity as learners observed how pepper moved away from a handwash-coated finger. Through demonstrations, discussions and practice, they developed independence, responsibility and an understanding of how good hygiene protects themselves and others.

Dental Check up

MIGHTY HYGIENE (PBL)

HEALTH IS WEALTH

Brush, Wash, Shine: Hygiene Makes You Fine!

This week, our little learners explored the world of wellness and hygiene through engaging, hands-on experiences. As "Hygiene Heroes," they learnt about the importance of personal, oral, hand and environmental hygiene, along with healthy eating habits. Through practical activities, demonstrations and discussions, children discovered simple ways to care for themselves, maintain cleanliness and make healthy food choices, understanding how small habits contribute to a healthier life.

"I don't eat chocolates and brush my teeth twice a day."
Lavyansh (LKG Flamingo)

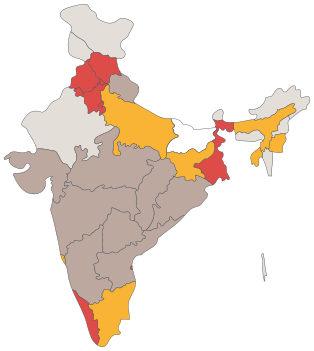

WHEELS ON THE MOVE

"Every journey begins with a little step, and every little learner has a story to tell."

LKG learners participated in a Show and Tell activity, "Wheels on the Move," presenting different modes of transport using toys, models, and pictures. They shared simple facts about their chosen transport, enhancing their vocabulary, communication skills, sentence formation, and confidence.

"I went to Kashmir by airplane. It is my favourite transport!" Anayra Sharma (LKG KIWI)

BOLD BORDERS

Grade 2 learners explored India's neighbouring countries through the EVS activity "Bold Borders." They identified and marked border states on a political map, enhancing their map-reading skills and geographical awareness. The activity also helped them appreciate the dedication of our brave defence personnel in safeguarding the nation.

"I understood the difference between the political and physical maps of India and was also able to locate the boundaries of our country." Avik Awasthi (2 C)

Animal Appetite Adventure

"Curiosity is the first step towards meaningful learning."

Grade 2 learners explored the eating habits of animals through a hands-on sorting activity. Using picture cards, they classified animals as herbivores, carnivores and omnivores based on their food choices. The activity strengthened their understanding of animal diets while developing observation, classification and critical-thinking skills. It also encouraged active participation, collaboration and meaningful learning about the natural world.

"With this activity we were able to sort animals into groups based on their eating habits".

Khizr Sham (2 F)

HAPPY Dussehra

"This Dussehra, let courage defeat fear and positivity overcome every challenge."

The Dussehra celebration was organised with great spirit and joy by the young learners of Nursery, LKG and UKG on 16th October 2026. The celebration began with the Nursery Assembly and a captivating enactment of the Ramayana by the teachers, who brought the story of Lord Rama, Sita, Lakshmana, Hanuman and Ravana to life. The children watched with excitement and learnt about the significance of Dussehra, which symbolises the victory of good over evil.

The celebration continued with a lively Dandiya dance, in which all the children participated enthusiastically using their self-decorated paper dandiyas. The colourful props added a creative touch to the performance, while the rhythmic music filled the atmosphere with festive cheer.

ASSEMBLIES

Little Voices, Meaningful Messages and Lasting Impressions

THANK YOU TEACHERS FOR EVERYTHING

An assembly on "Thank You Teachers for Everything" was conducted on 3rd September in the Activity Room, Nurturing Block, to express gratitude towards teachers. The programme began with a prayer, followed by the Thought and Word of the Day. Students presented a heartfelt tribute highlighting teachers' guidance, care, and support, followed by an energetic dance performance. Their confident presentations, enthusiasm, and coordination made the assembly a memorable celebration of gratitude and appreciation.

"I learnt that teachers love us, help us and teach us to become good children." Bryaan Agarwal (1 F)

HINDI DIWAS ASSEMBLY
मेरी भाषा, मेरा गर्व

Grade 2 learners presented a vibrant Hindi Diwas Assembly on "Meri Bhasha, Mera Garv," celebrating the richness and cultural significance of Hindi. The programme featured a melodious choir song, a graceful dance, and an engaging skit, "Mithak or Sachai," addressing common misconceptions about the language. Through their confident performances, learners highlighted the importance of respecting, preserving, and taking pride in Hindi.

"हिंदी हमारी भारत की भाषा है। हमें हिंदी बोलनी चाहिए, इसे भूलना नहीं चाहिए और इस भाषा में बात करने में शर्माना नहीं चाहिए।" ***Vrinda Chopra (2H)***

RAINBOW OF FRIENDSHIP

"***Friends make the world a little brighter and happier.***"

The tiny tots of Nursery Purple presented a delightful class assembly on "Rainbow of Friendship," highlighting the values of kindness, caring, sharing, and helping one another. Through a cheerful act and lively dance performance, the little learners beautifully expressed the joy of friendship. Their innocent expressions and enthusiastic participation made the presentation truly heartwarming. The Headmistress Ma'am appreciated their efforts and applauded their confidence. The assembly provided a wonderful opportunity to nurture self-expression, teamwork, and positive values while helping children understand the importance of building meaningful friendships.

"I love my friends."

Shivali Verma (Nursery Purple)

HYGIENE HEROES

"Clean habits, healthy hearts, happy little heroes!"

The Nursery Green Assembly on "Hygiene Heroes," held on 29th October 2026, beautifully highlighted the importance of cleanliness and healthy habits. The morning began with a prayer, followed by an engaging skit in which the little learners conveyed simple yet meaningful messages about personal hygiene. A lively dance performance further reinforced the importance of washing hands, brushing teeth, and keeping our surroundings clean. The assembly concluded with the National Anthem, leaving everyone with the message that small acts of cleanliness lead to a healthier and happier tomorrow.

"Wash your hands with soap."

Kiyana (Nur Red)

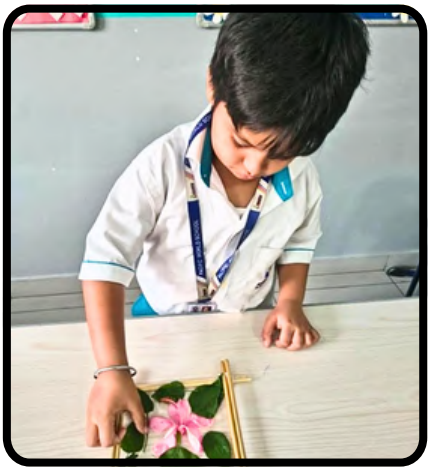

SUPW

'Learning by doing, creating with joy, and growing with every experience!'

Every Monday in September, our young learners enthusiastically participated in a series of engaging SUPW activities that blended creativity, hands-on learning and meaningful life skills.

On 7th September, learners explored their artistic side through Nature Art Frames, using flowers, twigs and kulfi sticks to create beautiful artworks while developing an appreciation for nature.

On 14th September, Modak Fun Time introduced learners to the traditional Maharashtrian delicacy. They explored its ingredients, shapes, colours and flavours, making the experience both enjoyable and culturally enriching.

On 21st September, Paper Mat Weaving offered an opportunity to create colourful patterns by weaving paper strips, enhancing their creativity, concentration and hand-eye coordination.

On 28th September, through A Little Gift of Love, learners designed colourful Diwali envelopes adorned with heartfelt messages, celebrating the values of kindness, gratitude and sharing.

These Monday activities transformed learning into joyful experiences, nurturing creativity, confidence, coordination and essential life skills while encouraging learners to explore, create and express themselves.

"I enjoyed making modaks and decorating my Diwali envelope. I had a great time."
Karnav Shukla (1 B)

HALLOWEEN

A Spooktacular Halloween Celebration!

WELLBEING

"Bravery is not the absence of fear, it is choosing to move forward with courage."

This month's Wellness theme, "Lion – Be Brave!", encouraged children to explore courage, confidence, and resilience through stories, role-play, games, and engaging activities. They learnt that bravery means trying new things, speaking confidently, asking for help, and supporting others. Simple breathing exercises and positive affirmations helped them manage nervousness, embrace challenges, and develop emotional well-being.

Inspired by the spirit of horses, the learners of Pre-Primary enthusiastically participated in "My Path Track," an engaging activity that highlighted the importance of individuality, independence, and confident decision-making. Through interactive discussions, creative drawings depicting their likes and dislikes, and choosing different paths, children learnt to trust their choices, respect differences, celebrate their uniqueness, and confidently follow their own path in life.

STORY TIME

"Stories create memories that shape hearts and minds."

Our Nursery learners enjoyed engaging storytelling sessions that brought learning to life through animated narration, colourful props, and interactive discussions. Stories such as "Tommy the Bus," "Traffic ke Niyam," "Chamakte Damakte Daant," and "Chiku Learned to Wash His Hands" helped children understand road safety, dental care, and personal hygiene. The sessions enhanced their listening, comprehension, vocabulary, and expression while encouraging active participation and the development of healthy habits and responsible behaviour.

PARENTING TIPS & IDEAS

- **Encourage**: Celebrate every effort, big or small. Your words of praise build confidence and a love of learning that lasts a lifetime.
- **Engage**: Spend quality time together. Ask about their day, play games, and show genuine interest in what matters to them.

More Great Tips

- **Explain**: Answer their questions with patience. Help children understand the "why" behind rules and decisions to build trust and respect.
- **Empower**: Let them make small choices and solve problems. Independence grows when children feel trusted and capable.

Daily Routines & Wellbeing

- Lead by Example — Children learn by watching you. Show kindness, manage emotions calmly, and model the habits you want them to build.
- ***★ Read together every day ★ Limit screen time ★ Prioritise sleep ★ Play freely outdoors***
