

PACIFIC
WORLD SCHOOL

Offering **CBSE & Cambridge International** Curriculum

Pacific World School stands on the strong foundations of the Pacific Group, promoters of Delhi Public School Indirapuram (2003) and DPS Raj Nagar Extension (2015). Spread across 10 acres of lush greenery, this state-of-the-art institution is committed to nurturing global citizens of tomorrow, excelling in academics, sports, extracurriculars, life skills, and international programs.

WHERE DREAMS TAKE FLIGHT AND YOUNG MINDS BLOSSOM !

"A child's journey to success begins in an environment that believes in their limitless potential."

At Pacific World School, we believe every child carries the spark of greatness waiting to be discovered, nurtured, and celebrated. Our mission is to create an inspiring learning environment where curiosity blossoms into knowledge, confidence transforms into leadership, and values shape character for life.

With a perfect blend of academic excellence, innovation, creativity, sports, and life skills, we prepare students to thrive in an ever-evolving world. Our future-focused curriculum encourages children to question, explore, collaborate, and grow into independent thinkers with a global perspective.

Beyond academics, Pacific World School is a vibrant ecosystem where young learners discover their passions through performing arts, technology, experiential learning, leadership opportunities, and international exposure. Every experience is thoughtfully designed to foster resilience, compassion, communication, and confidence.

Guided by passionate educators and supported by state-of-the-art infrastructure, students are empowered to challenge boundaries while staying deeply connected to human values and social responsibility. We strive to create a culture where every child feels heard, respected, motivated, and inspired to achieve their personal best.

At Pacific World School, education is not confined to textbooks—it is woven into experiences that prepare children for life beyond the classroom. Rooted in empathy and driven by excellence, we are committed to shaping responsible citizens, innovative minds, and compassionate leaders of tomorrow.

Because at Pacific World School, we do not just educate students— we inspire futures, nurture dreams, and create lifelong learners ready to make a difference in the world.

"The leaders of tomorrow are nurtured by the learning experiences of today."

OUR MOTO

Empowerment

Building confident, self-directed learners.

Empathy

Cultivating compassion and global citizenship.

Excellence

Pursuing the highest standards in all endeavours.

CORE VALUES

Ethics

Grounding every action in integrity and responsibility.

Enquiry

Inspiring curiosity, research, and innovation.

Enterprise

Encouraging bold thinking and creative problem-solving.

OUR VISION

Pacific World school is committed to provide comprehensive education to the students in a happy and congenial learning environment. The trained and experienced faculty will impart education and knowledge not only through classroom teaching but also by setting right examples of academic excellence, deportment and soft skills

OUR MISSION

Pacific world School is set to emerge as a Centre of Excellence in education with focus on simultaneous development of mind, body and soul, nurturing compassionate, responsible and creative global citizens

MESSAGE FROM THE PRINCIPAL

Schools are an ecosystem in themselves. They should duplicate life outside and be preparing grounds for the outer world.

In an age where Artificial Intelligence is transforming every sphere of life, being rooted in one's culture and values is not a sign of being regressive. Modern global citizens are those who embrace innovation while remaining firmly anchored in their culture, values, and identity. At Pacific World School, we strive to nurture individuals who are future-ready, yet deeply conscious of their heritage and responsibilities.

Pacificans are symbolic of being reflective practitioners and thinkers. We encourage opinions and adaptability. Pacificans must respect the pursuit of knowledge, yet realise that everyone can shine in some sphere or another.

Physical development is equally important to us, as we believe that a healthy body forms the foundation for a healthy mind. Through a wide range of sports, fitness programmes, and co-curricular activities, we strive to instil discipline, teamwork, resilience, and a spirit of sportsmanship in our students.

The campus is ablaze with events, experiences, and opportunities that cater to diverse intelligences and interests. Every Pacifican is encouraged to find their voice, their passion, and their place of glory and expression.

TOGETHER, WE ASPIRE TO CREATE LEARNERS WHO ARE ROOTED IN VALUES, INSPIRED BY KNOWLEDGE, AND EMPOWERED TO SHAPE THE FUTURE.

Pooja Bose
Principal

WHY PACIFIC WORLD SCHOOL?

At Pacific World School, we believe every child is unique and deserves an environment where they feel inspired, valued, and empowered to grow. Learning here is not limited to textbooks and classrooms- it is about nurturing curious minds, building strong character, and preparing students to thrive in an ever-changing world.

Our approach combines academic excellence with meaningful experiences, helping students discover their strengths, pursue their passions, and become confident, compassionate individuals who can make a positive difference in society.

The **5 Pillars** That Define Learning at Pacific World School

Explore

Curiosity and confidence to question and discover.

Experience

Learning by doing—projects, activities, real life.

Empower

Support to believe in themselves and lead.

Excel

Striving to become one's best self.

Evolve

Adaptability and resilience for a changing world.

What Makes PACIFIC WORLD SCHOOL Different?

- A nurturing environment where every child is known, valued, and supported.
- A balanced focus on academics, life skills, sports, and the arts.
- Learning experiences that inspire creativity, critical thinking, and innovation.
- Strong emphasis on values, empathy, and responsible citizenship.
- Dedicated educators who guide and mentor students at every step.
- A future-ready approach that prepares learners for success in a global world.

At Pacific World School, we don't just educate students – we inspire them to dream, explore, grow, and become the very best version of themselves.

INFRASTRUCTURE

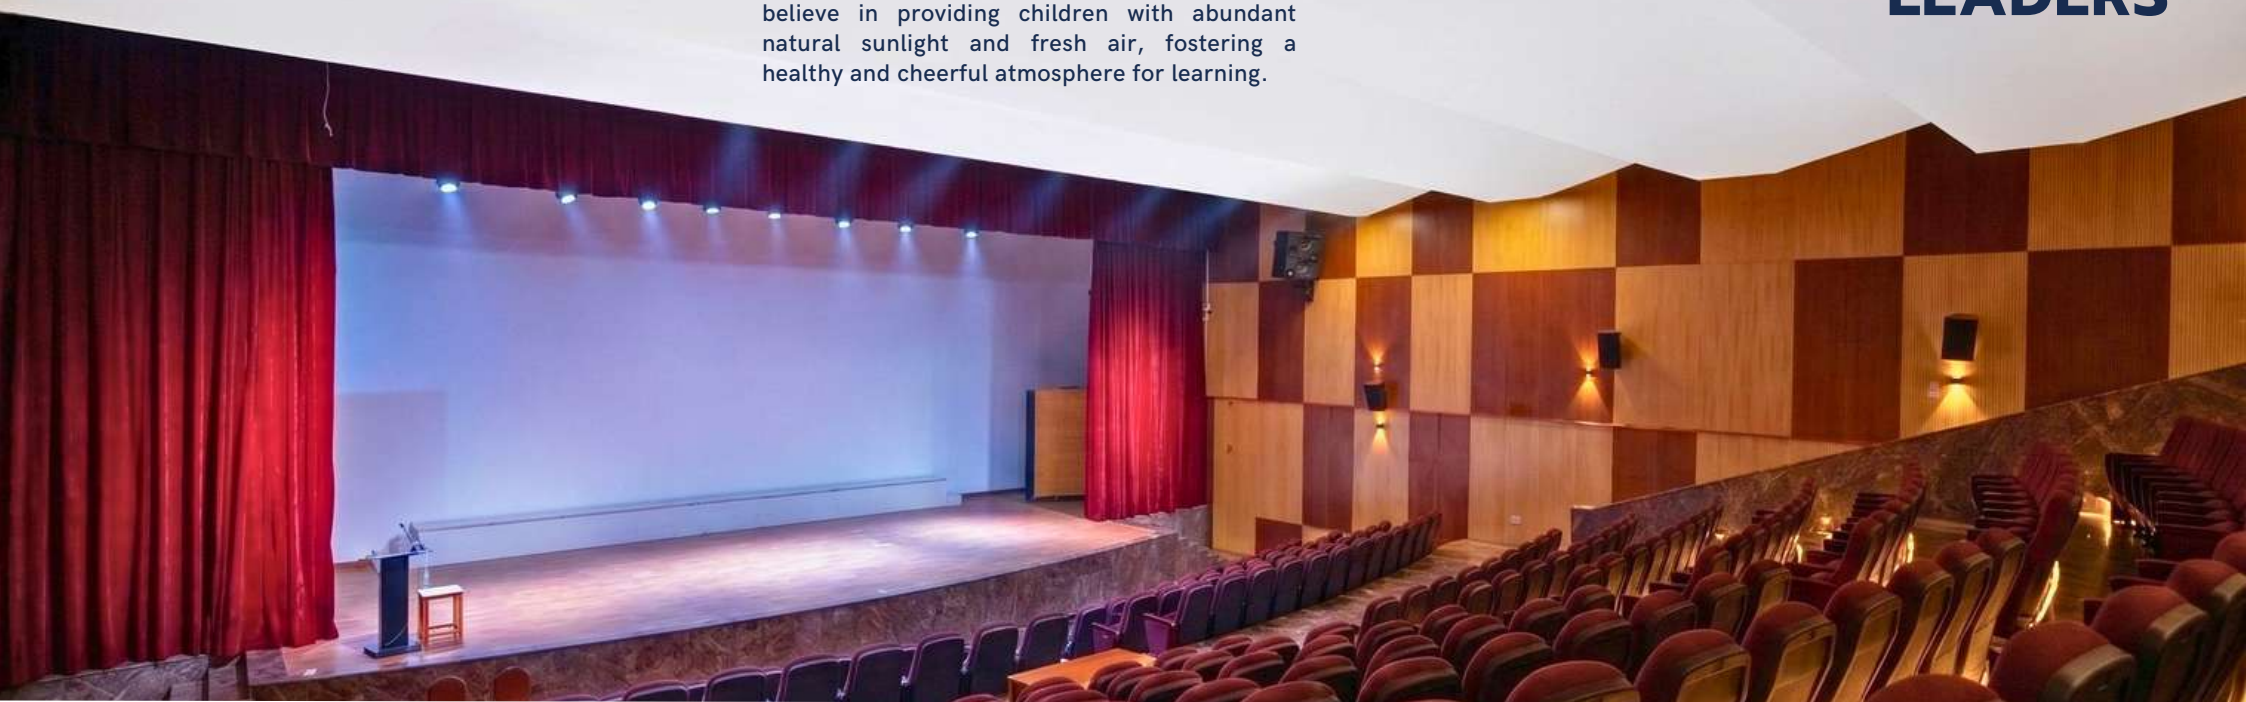

Pacific World School takes pride in its world-class infrastructure thoughtfully designed to promote the holistic development of every learner. Spread across a lush green 10-acre eco-friendly campus, the school provides an inspiring environment that nurtures intellectual, physical, emotional, and creative growth.

Our future-ready infrastructure reflects our commitment to providing an enriching, safe, and innovative learning environment where students can thrive academically, creatively, and personally.

The campus features spacious, well-ventilated classrooms and wide corridors that ensure comfort, openness, and free movement. We believe in providing children with abundant natural sunlight and fresh air, fostering a healthy and cheerful atmosphere for learning.

A CAMPUS BUILT FOR TOMORROW'S LEADERS

EVERY CORNER OF PACIFIC WORLD SCHOOL ENCOURAGES **DISCOVERY AND GROWTH**

The school is equipped with advanced **ICT laboratories** that encourage digital literacy and experiential learning.

Well-equipped **Science laboratories** promote innovation and scientific inquiry.

Our rich **libraries** serve as knowledge hubs, cultivating reading habits and intellectual curiosity among students.

Well equipped **Concept Lab, Activity Room, and engaging Reading & Storytelling Room** in the nurturing block which fosters curiosity, innovation, and a lifelong love for learning.

Exclusive **Art Studios** for sculpture, fine arts, and craft, nurturing creativity and imagination.

Dedicated **Dance Rooms** for Classical and Western dance forms, encouraging artistic expression and confidence.

Well-equipped **Music Rooms** for Classical and Western music, inspiring rhythm, culture, and performance skills.

A thoughtfully designed **School Counsellor Room** catering to diverse learning needs with care and inclusivity.

The open-air amphitheatre, auditorium, and multipurpose hall provide vibrant spaces for cultural, literary, and co-curricular activities.

Through Kaushal Bodh and Vikas labs, students are encouraged to develop essential life skills and values.

Expansive sports facilities and open grounds including a Cricket pitch, Tennis Court, Basketball, Pickle ball and Volleyball courts, Badminton Courts, Soccer field and a modern Skating Rink ensure physical fitness, teamwork, and overall personality development.

With modern facilities, advanced technology, and learner-centric environments, the institution stands as a vibrant hub of excellence, preparing students to confidently face the challenges and opportunities of an ever-evolving global world.

FACULTY

At Pacific World School we have teachers who are experienced in teaching CBSE and Cambridge curriculum and come with a progressive mindset to learn, unlearn and relearn. They are extremely competent, compassionate and caring, with high work ethics and dynamism. They are well versed with the emerging trends and challenges. As a facilitator their main responsibilities include, to identify, choose and implement different teaching methods for all students, guide theoretical information, practical skills, methods and techniques. The school ensures that the faculty gets enough exposure to upgrade their skills through CBSE Capacity Building Programme, online workshops and in service professional development program in latest teaching practices, 21st century skills, assessment techniques etc.

ACADEMICS

At Pacific World School, we view education as a transformative journey that nurtures the mind, shapes character, and inspires purpose. We believe that every child is unique, capable, and full of potential, and our role is to create an environment where curiosity thrives, creativity flourishes, and learning becomes a joyful lifelong pursuit.

Guided by the principles of the National Education Policy 2020, our academic framework is rooted in experiential, inquiry-driven, and competency-based learning. In the foundational and primary years, children learn through exploration, play, and meaningful experiences that foster curiosity, confidence, and a strong conceptual foundation.

As learners progress through the middle and senior years, they are encouraged to question, investigate, innovate, and collaborate. Our classrooms are dynamic learning spaces where knowledge is not merely acquired but applied, empowering students to become critical thinkers, effective communicators, ethical leaders, and adaptable problem-solvers.

We believe that true education extends beyond academic achievement. Through a thoughtfully integrated blend of scholastic and co-scholastic experiences, we nurture intellectual growth, emotional well-being, physical fitness, social responsibility, and global awareness. By fostering resilience, empathy, and a growth mindset, we prepare our students not only for examinations and careers, but for life itself.

At Pacific World School, we are committed to developing learners who are confident in their abilities, grounded in values, and inspired to make a positive difference in an ever-evolving world.

FOUNDATIONAL STAGE

(NURSERY- GRADE II)

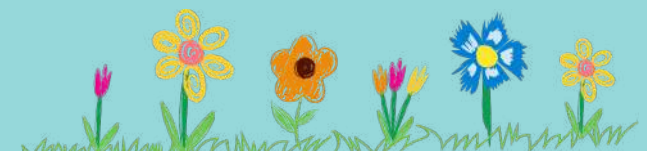

**“THE FIRST
FIVE YEARS
HAVE SO MUCH
TO DO WITH HOW THE
NEXT 80 TURNOUT.”
-BILL GATES**

At Pacific World School our little Pacificans learn skills, acquire new knowledge and demonstrate their understanding through 7 areas of learning and development.

- Personal Competencies and Social Development
- Language and Literacy Skills
- Foundational Numeracy Skills
- Knowledge and Understanding of the World
- Creative Development
- Understanding information and communication technology
- Physical Skills and Competencies

We consider learning in a fun and enjoyable atmosphere the most effective and engaging way of working with young learners. It is in the early years that the foundation for all future learning is laid.

Early learning experience is focused on the development of intellectual, cognitive, social, physical and emotional skills. Hence, our foundational stage programme is a commitment to inquiry and exploration as vehicles for learning. In a safe and caring environment, our dedicated educators ensure to foster innate curiosity in children through concrete hands-on experiences. Our teaching methods are carefully chosen to ensure good progress and to meet the needs of our young learners.

PREPARATORY STAGE

(GRADE III - V)

DISCOVER A WORLD
WHERE YOUNG MINDS
BLOOM WITH
CONFIDENCE,
CREATIVITY, AND
CURIOSITY!

Our Preparatory Stage program blends strong academic excellence with hands-on learning to build a solid foundation for the future. From interactive Mathematics and Science to engaging Language development, every classroom inspires joyful learning.

Students also explore exciting skill subjects like Art, Music, Coding, Robotics, and Environmental Awareness, helping them develop innovation and practical thinking. Alongside academics, we nurture essential life skills such as communication, leadership, teamwork, discipline, and emotional intelligence. With a vibrant sports culture including athletics, yoga, indoor and outdoor games, we ensure every child grows physically active and mentally strong.

Here, education goes beyond books ; shaping confident and responsible learners prepared to shine in every sphere of life.

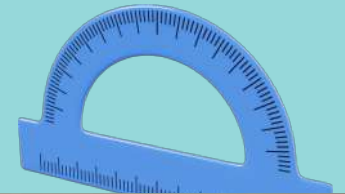

MIDDLE STAGE

(GRADE VI - VIII)

EDUCATION
DEVELOPS THE MIND,
AND PERSONALITY
DEVELOPMENT
SHAPES THE
CHARACTER THAT
CARRIES IT.

At the Middle Stage, learning evolves into deeper exploration, critical thinking, and purposeful growth. Our curriculum is designed to strengthen academic excellence through concept-based learning in Mathematics, Science, Social Studies, and Languages, while encouraging analytical and problem-solving abilities. Students are introduced to advanced skill subjects such as Artificial Intelligence, Coding, Financial Literacy, Design Thinking, Performing Arts, and STEM-based activities that prepare them for the challenges of a rapidly changing world.

Equal emphasis is placed on developing life skills including leadership, decision-making, collaboration, communication, resilience, and social responsibility. A dynamic sports and wellness program further enhances physical fitness, discipline, teamwork, and mental well-being through a wide range of indoor and outdoor activities. At this stage, education becomes a journey of self-discovery, innovation, and character building, shaping capable individuals ready to excel academically and beyond.

SECONDARY STAGE

(GRADE IX - XII)

At Pacific World School, the Senior Secondary Wing nurtures achievers, innovators, and future-ready leaders through a perfect blend of academic excellence and holistic development. The foundation for Board success begins right from Grade IX with structured learning, regular assessments, concept clarity, and focused mentoring that gradually prepares students for exceptional Board results and competitive examinations.

Our consistent academic excellence reflects the commitment of our experienced faculty, personalised attention, remedial support, and strategic preparation methodologies. Continuous practice, doubt-clearing sessions, and performance analysis help every learner realise their highest potential.

FUTURE-READY MINDS BEGIN HERE

Beyond academics, students are empowered with essential 21st-century skills such as critical thinking, communication, collaboration, creativity, problem-solving, and decision-making. Life skills education, leadership opportunities, public speaking, and career guidance programmes nurture confidence, resilience, adaptability, and emotional intelligence.

Subjects like Artificial Intelligence, Psychology, Financial Literacy, Entrepreneurship, and Information Practices further prepare learners for the evolving global landscape through experiential and skill-based learning.

At Pacific, excellence is nurtured, leadership is inspired, and futures are created."

At Pacific World School, learning comes alive beyond the classroom through enriching experiences, educational excursions, exhibitions, and interactive engagements. From exploring history and culture to showcasing innovation, and appreciating creativity through art exhibitions, students are encouraged to observe, explore, create, and discover.

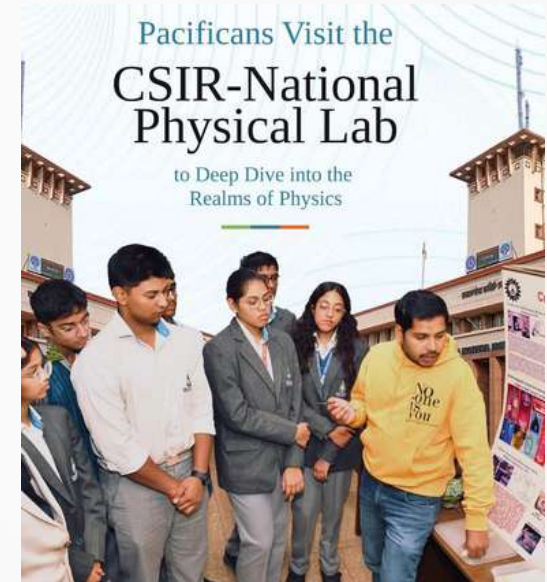

Because the best learning is not just taught — it is experienced.

SCHOOL EXCURSIONS

Excursions at Pacific World School are an integral part of experiential learning. They give opportunities to students to go beyond the classroom and learn through real world experiences.

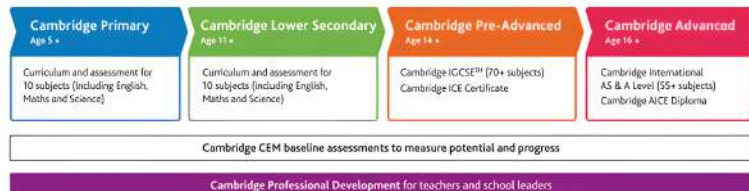

Through educational trips, nature visits and adventure activities, students develop curiosity, independence, teamwork, and a deeper understanding of the world around them. Every destination teaches a lesson, every challenge builds character and every moment becomes a story worth remembering.

The Cambridge curriculum equips students with the knowledge and skills necessary to succeed in higher education and elevates them to thrive in today's interconnected world. By fostering a love of learning and cultivating a global perspective, we empower our students to become confident, independent, reflective, engaged and lifelong learners.

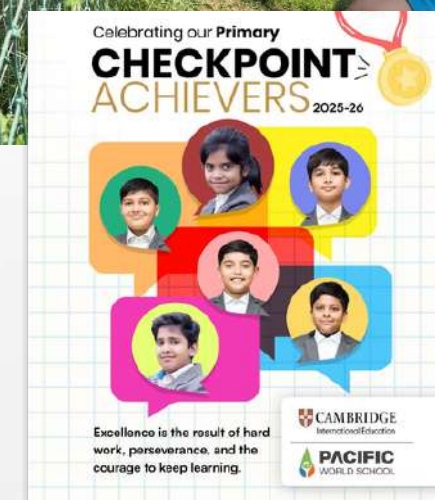

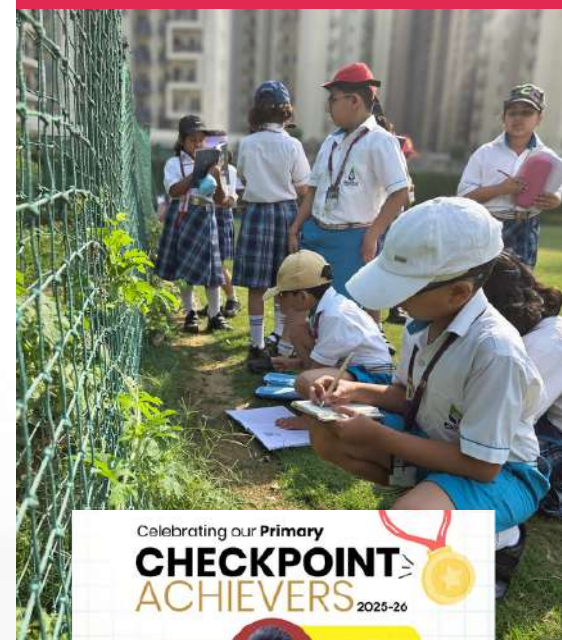

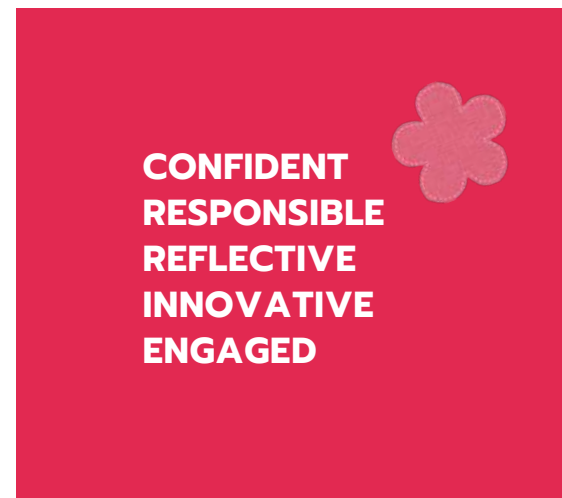

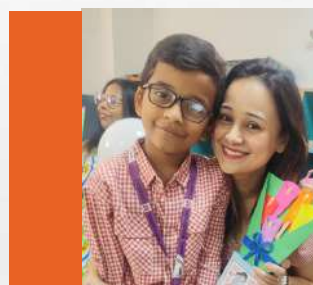

We provide a challenging and comprehensive curriculum that creates holistically developed individuals who are not just academically proficient but also possess a compelling social, emotional, and physical strength that allows them to navigate life challenges with resilience, perseverance and overall well-being.

Cambridge Pathway

A clear path for educational success from age 5 to 19

Learn • Discover • Achieve

HEALTHY BODY IS THE ABODE OF A HEALTHY MIND

At Pacific World School we believe that Sports not only develops the physical well being of children but also teaches them Spirit of Sportsmanship, Dedication, Leadership Qualities, Social Skills and Values and thus makes them effective team players.

We have some of the best sports facilities and highly qualified coaches. The school offers the students access to its world class infrastructure even beyond school hours. All these ensure that we nurture bright and happy, individuals with a strong inclination towards an active and healthy lifestyle.

SAFETY & SECURITY

Student safety remains our highest priority. With round-the-clock CCTV surveillance, trained security personnel, controlled campus access, comprehensive fire safety measures, and robust child safeguarding practices, we provide a secure and nurturing environment where every child can learn and thrive with confidence.

A SAFE & SECURE CAMPUS

- 24x7 CCTV surveillance covering key areas of the campus.
- Trained security personnel stationed at all entry and exit points.
- Controlled access with visitor management and ID verification procedures.
- Mandatory student and staff identification cards.
- Safe dispersal and handover procedures for students.
- Fire safety systems and periodic safety audits.
- Emergency preparedness through regular evacuation and fire drills.
- Medical rooms with qualified healthcare personnel and first-aid facilities.
- Sensitisation programmes on cyber safety, personal safety, and well-being.
- Strict anti-bullying and zero-tolerance policy towards misconduct.
- Background verification of all staff members.
